

What is the ABCBS Program?

It is a unique program, funded by the WA Government's Department of Finance. Its objectives are to help establish Aboriginal businesses and support them towards success. The 'support' comes through helping businesses build capacity in several areas.

What does it cost?

There is no cost to Aboriginal Businesses in the Pilbara & Kimberley

Who is eligible?

The program supports Aboriginal people 'in business'. You may just be starting out or have been operating for some time. Support is even available to those who consider their businesses mature or sophisticated.

Morrkul Pty Ltd is a not-for-profit Aboriginal Business, established in 2013. Morrkul specialises in Aboriginal Business support with a strong track record of supporting and growing Aboriginal Businesses throughout WA.

What support is available?

Governance

Helping you understand the 'rules' for running a business and what you need to do to make sure you are always compliant

Pricing

How much do you charge when quoting for work? Getting the balance right between being competitive against other suppliers but also ensuring you are making a fair profit

Marketing

Where will you find your customers and how will you communicate and attract them?

Tendering

Learn how to find and apply for Government tenders and become a preferred supplier

Contractual Compliance

Reading the 'fine print' and knowing what you are committing to. Plus protecting yourself with appropriate insurance

Business Growth

What are the keys to establishing your business as well as expanding it

How is the support provided?

The program is delivered one-on-one by a Morrgul mentor.

A tailored action plan is created. This are unique and never 'off the shelf'. Each plan recognises the client's business and then serves up the right solutions to help it move forward.
